18th September 2025

Dear parents and carers

On Monday 9th February 2026, we will be running an educational visit to the Symphony Hall in Birmingham for Year 3, 4, 5 and 6 children to watch the City of Birmingham Symphony Orchestra.

We will be joining the Orchestra for an intergalactic musical adventure in a space themed concert especially devised for KS2 students. The concert will feature thrilling orchestral music inspired by the cosmos, from classical favourites to cinematic scores, this fun and interactive performance will take the pupils on a journey through sound and space. With engaging presenter-led moments, it's the perfect way to spark curiosity and creativity through music.

We will leave school at 12.00pm and travel to the Symphony Hall by coach. We expect the concert to finish by 2.30pm and should, therefore, return to school by 4.00pm. Please can we ask all children to bring a packed lunch on this day, as we will have an early lunch before we leave school for the concert.

The price of this trip is £19.56.

Places are limited, so we will be allocating them through a random selection process. To ensure fairness, we will select a balanced number of children from each KS2 year group. If you would like your child to be considered for the trip, please use the link below in order to complete the form by Monday 29th September 2025. All submitted forms will be included in the random draw, and families will be notified once the selection has been made.

If your child receives a place on the trip, you will receive a further communication and request for payment by Monday 13th October 2025. If a place on the trip is not available, you will receive a message to let you know.

If you have any questions about the trip, please do not hesitate to contact us via e-mail at: admin2631@welearn365.com.

Kind regards
