Reading at home

Please encourage your child to read as often as possible throughout the week. If your child reads at least three times a week, they will earn themselves a merit point.

Please record all your child's reading - including books sent from school and books of their own choosing - in their individual record book.

Reading strategies

These are some questions you can ask your child when they are reading with you to develop their understanding:

1. Who are the main characters?
2. What can you tell me about them?
3. Where is the story set?
4. Why did ... happen in the story? What do you think will happen next?
5. What does the word ... mean?
