

Each week, it is important for your child to practise a number of key skills. The home learning for year 6 will consist of the following: practising times tables, practising spellings, reading (aloud to an adult and independently) and CGP home learning books.

Weekly times table focus: $\times 9$

$11 \times 9 =$	$2 \times 9 =$	$7 \times 9 =$
$8 \times 9 =$	$5 \times 9 =$	$1 \times 9 =$
$6 \times 9 =$	$12 \times 9 =$	$9 \times 9 =$
$10 \times 9 =$	$3 \times 9 =$	$4 \times 9 =$

Weekly spellings: Please practise these words ready for the test on 03.07.26

Word	Look	Cover	Write	Check
rhyme				
rhythm				
sacrifice				
secretary				
shoulder				
signature				
sincere				
soldier				
stomach				
sufficient				

Reading at home

Please encourage your child to read as often as possible throughout the week. If your child reads at least three times a week, they will earn themselves a merit point.

Please record all of your child's reading – including books sent from school and books of their own choosing – in their individual record book.

Reading strategies

These are some questions that you can ask your child when they are reading with you to develop their understanding:

1. Can you describe the main characters?
2. What impression do you get of them
3. Where is the story set?
4. What do you think will happen next? Why?
5. What does the word ... mean?

CGP home learning books

Please complete the following pages, which we will go through together on: 03.07.26

Maths Pages 68 – 69 Circles

Maths (stretch) Pages 60 – 61 Circles

Fluency practice

Please encourage your child to log on to TTRockstars (<https://play.ttrockstars.com/>) as much as possible throughout the week. The rehearsal of key times table facts will hugely benefit your child's speed and fluency in all areas of the maths curriculum. Your child's login details have been stuck into their link books.

There are going to be several opportunities to contribute in whole class, whole year group and whole school battles throughout the year. We will share information about each of these as they are set on TTRockstars.

This year too, the children will have the opportunity to improve their rocker status. Let's see how many 'Rock Heroes' we can get by the end of the year – this is where you can answer your times table questions in under 1 second!
